

# 2nd Harpenden Beer Festival

**CAMPAIGN  
FOR  
REAL ALE**

**Thursday 10th - Saturday 12th June 2010**

We need your help! Following the successful first ever beer festival in Harpenden last year CAMRA, with the support of Harpenden Town Council, will be running a second beer festival in Harpenden in June this year. CAMRA beer festivals are only made possible because of the willingness of members and non-members alike to generously donate their time and effort. Whether you are an experienced beer festival worker or a 'newcomer', we very much hope that you will be willing to donate a few hours of your time to help us. You can volunteer today by returning the form enclosed and make a contribution to CAMRA by helping to promote Real Ale. Whether for the whole week or just a few hours, we welcome volunteers in all areas (please see the enclosed form) throughout all "set-up" and "public" sessions, particularly on Thursday, Friday and Saturday evenings. Absolutely NO experience is necessary as guidance is available from experienced staff.

For helping us, as well as experiencing the great atmosphere at the festival, you will receive complimentary beer and food tokens for each session worked and what's more, free entry for other sessions you come and visit the festival with your friends!

In addition, I would like to take the opportunity to draw your attention to the range of other activities organised throughout the year by South Hertfordshire CAMRA, details of which are regularly advertised in the free newsletter Pints of View, and on our website at [www.hertsale.org.uk](http://www.hertsale.org.uk). Perhaps you would like to volunteer for the St. Albans Beer Festival later on in the year?

Best Regards,

**Barry Davis**
